

ASB Partner Lessons

Assignment

Work with a partner to prepare and present a 5-10 minute interactive lesson for the entire ASB class. Your lesson must include your own thoughts and perspective - not just playing a TED talk you found online. Please be sure to make your presentation interactive in some way: group discussion, writing down thoughts, personal reflection, etc. You may choose any topic relevant to ASB, see the following list for suggestions.

- Goal setting
- Organization
- Humility
- Meditation
- Communication in Groups
- Time Management
- Commitment
- Decision Making
- Problem Solving
- Positive Self-Talk
- Creative Thinking

Grading

Please be sure your lesson is within the 5-10 minute mark, and is your own unique thoughts and work. It's ok to incorporate videos/media from online as long as you combine it with your own work. Please be ready to present on your assigned date, if have a conflict speak with Mr. Goodenough and or Matthew.
